

# Logan Murray

## Software Engineer

### EDUCATION

#### Bachelor of Science (CS), Software Development

DePaul University

2016 - 2020, Chicago

### EXPERIENCE

#### Software Engineer

Flybook Software, LLC

July 2022 - Present, Remote

- Pioneered the creation of innovative features and effectively resolved software bugs in a dynamic agile development environment.
- Collaborated closely with the Product Team to achieve objectives and ensure customer satisfaction with UI/UX designs.
- Utilized full-stack development with C# .NET for the backend, Angular for the frontend, and occasionally employed Terraform for infrastructure. AWS Cloud Knowledge and EXP

#### Web and Content Developer

Boost Auto Parts, LLC

Jan 2022 - July 2022, West Chicago, IL

- Implement new designs and layouts (landing pages, product pages, collection, etc.) using HTML/CSS/JS
- Optimize site speed and SEO, analyzing weekly reports and present solutions to outstanding issues using Lighthouse and Hotjar and GA (increasing conversion rates)

#### Front-end Developer

Officite - InternetBrands

Dec 2020 - Jan 2022 - 1 year 1 month, Downers Grove (WFH)

- Produce high-quality, clean code for client projects, including sites such as [nwawhcare.com] and [sanmateopodiatry.com] using HTML/CSS/JS.
- Estimated project scope and participated in design discussions and code reviews weekly.
- Troubleshoot customer-reported issues in applications and provided support as well as email templating using HTML.
- Assisted with maintenance and upkeep of front-end applications for multiple clients of various scale.
- Adapted websites to match changing user preferences and client demands with regular updates.
