Logan Murray
Front-end Developer

EXPERIENCE

Web and Content Developer
Boost Auto Parts, LLC

Jan 2022 – Present, West Chicago, IL

- Implement new designs and layouts (landing pages, product pages, collection, etc.)
- Optimize site speed and SEO, analyzing weekly reports and present solutions to outstanding issues.
- Add and update content on a regular basis keeping best design practices in mind.
- Increase conversion rates, working closely with our sales team and our social media manager.

Front-end Developer
Officite - InternetBrands

Dec 2020 – Jan 2022 – 1 year 1 month, Downers Grove (WFH)

- Produce high-quality, clean code for client projects, including sites such as [nwawhcare.com] and [sanmateopodiatry.com].
- Estimated project scope and participated in design discussions and code reviews.
- Troubleshoot customer-reported issues in applications and provided support.
- Assisted with maintenance and upkeep of front-end applications.
- Adapted websites to match changing user preferences and client demands with regular updates.

EDUCATION

Bachelor of Science (CS), Software Development
DePaul University

2016 – 2020, Chicago
